

CLASS DESCRIPTIONS

XTC Functional Fitness

This intense class uses (bodyweight/strength-based movements) in a high-intensity interval format to turn your body into a calorie-burning machine! If getting lean is your goal, do not miss this class! Movement modifications can be made to accommodate all fitness levels.

***XTC Cardio Kickboxing** (*must bring own kickboxing gloves)
Strike, kick, punch, jab, crunch, squat, and run! This class knocks out your muscles but leaves you feeling like a fighter!

XTC Cardio Sculpt

This high energy class is the perfect low impact workout to tone, strengthen and increase flexibility.

XTC Power Cycle

More intense than a stationary bike, indoor cycling keeps things cool with great music and a killer class atmosphere.

XTC Core/Mobility/Flexibility

Improve your core strength, range of motion, quality of movement, and flexibility using a variety of methods. This class is designed to help you do the things in the gym so you can lead a healthy functional life.

XTC Functional Strength/Power

Get stronger and more powerful week by week by utilizing your body weight, resistance, and bands in this class that focuses on functional strength through time under tension, negative muscle movements, and isolation.

XTC Spinerval

Combines cycle and resistance elements to push your body both physically and mentally.

XTC Tabata Blast

This 30-minute calorie blasting class is the perfect start to your Tuesday! You will work your core and more plus improve your cardiovascular fitness... what more can you ask for?

***XTC Yoga** (*participants are encouraged to bring own yoga mat)

Improve overall well-being. Gain flexibility, balance and strength. For all fitness levels from beginners to advanced yoga practitioners.

Zumba

Party your way into shape with this Latin inspired, calorie burning dance fitness party! Caution...may cause contagious shakin!!!

Les Mills BODYPUMP

BODYPUMP allows participants to use light weights and become strong without feeling intimidated by the weight room. All fitness levels are catered to with multiple levels of options during the class.

Les Mills BODYBALANCE

(*participants are encouraged to bring own yoga mat)
BODYBALANCE is an athletic blend of yoga, Tai Chi and Pilates which leaves participants feeling long, strong, centered and calm. There is no judgement, expectation or sense of competition with ourselves or others.

Les Mills BODYCOMBAT

The class draws from a wide array of disciplines such as Karate, Boxing, Tae Kwon Do, Capoeira and Kickboxing. Supported by driving music and powerful role model instructors.
